UNITED STATES INDIAN SERVICE

DEPT. OF THE INTERIOR  
AUG 24 1920

Yakima Agency,  
Ft. Simcoe, Wash.  
August 19, 1920.

The Commissioner of Indian Affairs,  
Washington, D. C.

AUG 21 1920

Sir:

I have the honor to transmit herewith the  
Census for the fiscal year ending June 30, 1920, of this  
jurisdiction.

In accordance with the instructions contained  
in Office circular of May 26, 1920, requesting "data  
as to eligible school children" the census has been  
noted to show:

- A. Children having school facilities and  
eligible at government expense;
- B. Children of citizen parents and not  
eligible for attendance in public schools at government  
expense;
- C. Children who do not reside on the reser-  
vation with regard to whom we do not have sufficient  
data to classify them intelligently. As a general  
rule, however, most of them have facilities for  
attending public schools.

12.

D. Only a small portion of the children under age have been classified.

With reference to the children under class "A" you are informed that practically all of the children on this reservation have access to some fourteen public schools and there are very few, if any, who do not have some school facilities.

Very respectfully,

*Don M. Carr,*  
Superintendent.
